## Business Finance / Marketing

### EDUCATION

#### Maroa Forsyth Highschool

2014 - 2018

A/B Honor roll all four Years

#### Brigham Young University Idaho

2020 – 2025

I am looking to become a Financial Advisor so I am taking many Accounting and Economic classes to be familiar with the skills necessary to be successful in this field. I also have some background in Computer Science.

### WORK EXPERIENCE

#### No-Toil Warehouse Worker

On and off for three years

I have worked on and off for Brad Jensen. I did basic warehouse activities such as making and boxing Oil Filters for dirt bikes. I became familiar to a lot of heavy machinery.

#### Doorzza Pizza Delivery Driver

April 2021– July 2021

I delivered Pizza all around Rexburg Idaho I learned skills of time management and interacting with multiple people daily.

#### Syngenta Corn Pollination

June 2015 –June 2016

Syngenta was a labor intensive environment where we spent multiple hours a day pollinating Corn. I developed the skills to hyper-focus for long periods of time and to pay attention to small details and make sure everything was done with quality.

#### Jimmy Johns Delivery Driver

September 2021- May 2022

I delivered sandwiches throughout all of Rexburg Idaho and learned the skills to be time sensitive and effective.

#### Brigham Young University Systems and Integration Specialist

October 2022- December 2022

I worked on and managed a lot of the programs that the University used. I worked as a team to correct and modify each program to work properly for the students. I used a lot of problem solving and learned the basics of coding in HTML, CSS, JavaScript, and C.

### Profile

Currently studying at BYU-I to become a Financial Advisor, I have experience with warehouse work, Farming, and Delivery driving. I'm a hard worker and really good at communication and working with customers. I can be Hyper focused on specific tasks. I also served a two-year mission for the Church of Jesus Christ of Latter-day Saints in Alabama and in Arkansas.
